

Mad

What are you angry or disappointed about?

Unable to make cool Wireframe, I need better tooling

SVETOSLAV

Missing members on monday

PAUL

No one reviews cards. Maybe inform team members about reviews or do them after daily

JAN

+ Add a card...

Glad

What are you happy about?

Sprint mostly done

PAUL

Everything is mostly finished

MAXI

Working together

PAUL

General co-working attitude

NIKLAS

The sprint estimation worked everything could be done

JAN

+ Add a card...

Sad

What could be improved?

SRS is in Sprint? Way to big!

PAUL

No estimation of how long a task is going to take.

JAN

Still not a lot of work has been done

PAUL

Progress is low :(

NIKLAS

Jira cards way more manageable

PAUL

Usage of github (e.g. SRS v.2? Whats the point of github then?)

PAUL

Our general communication could be improved

NIKLAS

Finish more tasks
